I have received a request from staff at the Bureau of Planning to have a Superfund presentation for the Planning Commission the evening of March 24, for about an hour sometime between 7 and 9:30pm. They were interested in hearing from some of the key participants and your names came up. Would you like to participate in a small panel that night for that purpose? I will owe you a player to be named later. (b) (6)

are you willing, or at least able?) Thanks.
